Careers Education, Information and Guidance Policy (CEIAG)

Policy reviewed: September 2020

Next review date: September 2021

D. Foreman

1. Rationale

The academy is committed to providing a planned programme of Careers Education, Information and Guidance for all students in Years 7 to 13. Careers will be integrated into the students' experience for the whole curriculum and will be based on partnerships with external partners, teachers, students, parents, and alumni.

The careers programme at Ormiston Sheffield Community Academy will be an essential part in helping students to select appropriate 14-19 pathways. With appropriate support, students are able to plan and manage their career path effectively in a changing global world of learning and work, ensuring that progression is both ambitious and aspirational. The programme promotes equality of opportunity, celebrates diversity and challenges stereotypes.

The policy is developed and reviewed annually by the Aspirations Leader and the Senior Leadership Team through discussions with teaching staff, the Careers Adviser, students, parents, governors, and other external partners. It is based on current good practice from the Careers Development Institute and is guided by the Gatsby Benchmarks, to ensure best practice and to conform to statutory requirements.

2. Context

From September 2013 the Education Act of 2001 placed schools under a duty to ensure that all registered Students in Years 8 to 13 have access to independent, accurate and impartial information, advice, and guidance. Careers guidance secured under the new duty will:

- be presented in an impartial manner
- include information on the full range of post-16 education or training options
- promote the best interests of the Students to whom it is given

Careers Education at Ormiston Sheffield Community Academy follows the recommendations from the Careers Development Institute (CDI) Framework 2015. The academy is working towards meeting the Quality in Careers Standard.

3. Careers Programme

Ormiston Sheffield Community Academy is committed to providing all students in Years 7 to 13 with a programme of activities which are planned and coordinated with opportunities to measure learning outcomes. The careers programme is designed to meet the needs of all students at Ormiston Sheffield Community Academy. Just helping students to find 'the right job' has now been replaced with supporting students to be equipped with the knowledge, understanding, skills and personal qualities to plan and manage their career progression through learning and work. The programme is differentiated and personalised to ensure progression through activities that are appropriate to the stages of career learning, planning and development. The programme is also linked to the Academy Development Plan.

At Ormiston Sheffield Community Academy we work in partnership to help every student achieve their full potential and listed below is the student entitlement for careers

4. Careers Student Entitlement

- 4.1 Careers Education, Information and Guidance that meets professional standards of practice.
- 4.2 A careers programme that will raise aspiration, challenge stereotypes, and promote equality and diversity.
- 4.3 Support in making well informed and realistic decisions.
- 4.4 Access to impartial and independent information and guidance about the range of education and training options that are most likely to help students achieve their ambitions.
- 4.5 The Careers Adviser is available every Tuesday and Thursday: 3.00pm - 4.00pm for students and parents to make appointments for advice and guidance.

5. Black Country Careers Hub Steering Group

Ormiston Sheffield Community Academy is part of the Black Country Careers Hub Steering Group. We work with the local consortium of schools and business leaders to share best practice and help all schools work towards achieving the Gatsby Benchmarks by 2020.

6. Partnerships

- Aspire to HE through University of Wolverhampton (Mentor available for NCOP students)
- Lloyds Banking Group (strong partnership)
- Staffordshire University
- Birmingham City University
- University of Wolverhampton
- Aston University
- The University of Birmingham
- Local businesses and employers through links made by the Aspirations Leader/Careers Adviser.
- Colleges and training providers – Walsall College

7. Benchmark 1: A stable careers programme:

- The careers programme is structured and updated by the Aspirations Leader and a member of the Leadership Team. It is published and included on the academy website.
- The programme is evaluated with feedback from all stakeholders. The careers programme has a supportive link from governor level, through the Senior Leadership Team.
- A framework for the planning, monitoring, review, and delivery of the careers programme will be reviewed annually, using the quality standard for Careers Education and Guidance.
- Ormiston Sheffield Community Academy will measure and assess the impact of its own careers programme using the Gatsby Benchmarks and the Compass and Tracker tool, as well as using our own internal evaluations, including the opinions of providers, students, staff, and parents.
- Funding is allocated annually in the context of whole school priorities and particular needs for Careers Education, Information and Guidance.

8. Benchmark 2: Learning from career and Labour Market Information (LMI):

- Labour Market Information (LMI) is included in the careers programme and additional knowledge is provided by the Careers Adviser.
- Parents and students can keep up to date with information about Labour Market Information by reading the careers section on the academy website.
- The Careers Adviser provides independent careers guidance, including LMI to all Year 11 students and identified groups.
- Careers information and resources are located in the library, which contains impartial information. It is reviewed annually by the Careers Adviser.
- An LMI Notice Board will be annually updated.
- LMI information will be shared with parents at Year 9 Guided Choices Evening.
- LMI updates will be shared with staff annually at a CPD session.
- Students complete individual research using online career programmes, with guidance and support from their form tutor.
- Students are also encouraged to use the National Careers Service and Helpline.

9. Benchmark 3: Addressing the needs of each Student:

- The careers programme actively seeks to challenge stereotypical thinking and to raise aspirations. The Careers Student Entitlement outlines these aims and is reinforced in careers assemblies and National Careers Weeks.
- Ormiston Sheffield Community Academy will keep accurate records of each student's career experiences using our own internal systems, Tracker and Start Profile. This will be supported by staff recording and reviewing their activities and communicating this to the Aspirations Leader. Staff Careers Champions (one representative for each subject) will be introduced to support with this dialogue.
- Students now have the opportunity to complete an electronic careers progress file, where students track their own career development and progression. Students complete individual research using online career programmes, including Start Profile, where they can explore their options, prepare for their future career, and have access to a record of their careers experience.
- Destinations are collated by the Aspirations Leader with the support of the Careers Adviser, who reports these to the local authority.
- An Alumni Network helps to foster greater links with our former students and allows us to track their long-term destinations. It also brings about new opportunities for our students (such as mentoring), enriching the delivery of our careers programme.
- The Careers Adviser offers regular guidance and support to SEND students and their parents.
- The Aspirations Leader will track career aspirations of individual students from Year 7 to 13; this helps to provide personalised advice for students. The careers destination spreadsheet is updated annually. The information is also used to identify students for the most relevant talks/workshops/visits.
- The Careers Adviser keeps accurate records of individual careers advice and these are shared with students.
- Students in all year groups will be given the opportunity to identify different career routes through PSHE lessons, careers interviews and engagement events inside and outside of school. All Students have information from a full range of providers, including apprenticeships, universities, colleges, training providers, gap year and voluntary organisations and local employers.

- Most able students have the opportunity to take part in a range of activities, including Oxbridge opportunities.
- Year 11 students meet with our Careers Adviser, and a member of the Leadership Team to discuss their career plans and to confirm a destination for the end of Year 11.
- Year 13 students get individual support and meetings with the Aspirations Leader when applying to university or apprenticeships. These includes in depth advice and support completing and checking applications.
- Sixth Form students are encouraged to attend summer schools and university workshops.
- Year 11/12 students are given the opportunity to apply for the National Citizenship Service (NCS).
- Year 11 will take part in a 'Next Steps' Day, where they select to experience a day at college or as a Sixth Form student.
- Students also have the opportunity to become a Careers Champion.

10. Benchmark 4: Linking curriculum learning to careers:

- Employability and enterprise skills are embedded with the curriculum and developed in all lessons. These develop skills which will encourage students to become more effective workers, within a wider range of careers.
- Form tutors teach the allocated careers lessons with the PSHE programme and ongoing training needs are identified for planning and delivering the careers programme. Appropriate INSET is then planned to meet the required needs.
- The academy supports national events and we take part in the National Careers and Enterprise Weeks, where students take part in relevant activities. Learning during all lessons will have a link to careers during this week.
- Staff are encouraged to link learning in lessons to careers and employability skills.
- Heads of Year promote and recognise achievements within weekly assemblies.
- Staff Career Champions (one representative for each subject) are being created to keep the Aspirations Leader informed of the careers work teachers are doing within their department, so we can record this centrally, they will also help encourage more achievable work towards this.
- Students will experience a series of planned STEM activities either in lessons, workshops or afterschool clubs; these are updated annually.

11. Benchmark 5: Encounters with employers and employees:

- Students will be provided with opportunities of mentoring, workplace visits, work experience, work shadowing, enterprise clubs, employer talks and higher education presentations.
- Where appropriate, we will arrange visits for students to local businesses, colleges, work-based education, training providers and universities. This will assist students in making an informed decision about their future career.
- Students have access to a wide variety of external speakers from local and national employers, professional organisations, and Alumni.
- Careers Fairs and Speed Networking events allow all students the chance to engage with local employers.
- Greater links with our Alumni are allowing students to engage with their work experiences and gain opportunities, such as mentoring.
- We will continue to develop partnerships with local employers and apprenticeship providers.

- Ormiston Sheffield Community Academy will work closely with the Careers and Enterprise Company to engage with their programmes and create new opportunities for our students. The academy works in partnership with the Enterprise Adviser Network.
- Key Stage 4 and 5 students take part in mock interviews with representatives from local universities, experienced academy staff and employers, in particular Lloyds Bank.

12. Benchmark 6: Experience of workplaces:

- Year 12 students take part in a work experience placement organised by themselves (with academy staff support if needed), helping them gain an insight into the realities of searching for employment.
- Year 12 students are encouraged to attend a university summer school.
- Year 11 and 12 students are encouraged to take part in NCS.
- Year 10 participate in a Work Shadowing programme where students experience a 'behind the scenes' look at a variety of local employers in the workplace.
- Students in Year 7 and 8 are given the opportunity to experience the role of supporting clerical staff as a student monitor.
- Students can learn about work during careers presentations and events in the academy given by a range of facilitators, including alumni, apprentices, and employers.
- Where possible, trips to employers will be organised. Students will be targeted using the careers aspirations database or opportunities will be advertised for students to sign up.
- Students in older year groups are encouraged to gain additional work experience/shadowing during their spare time in the holidays.

13. Benchmark 7: Encounters with further and higher education:

- The annual Careers Fair allows each student to have a meaningful encounter with learning providers, including Sixth Form, colleges, local employers, apprenticeship providers, training providers, voluntary schemes, and gap year organisations. Specialist workshops will also take place during the Careers Fair.
- By the end of Year 13, all students will have experienced at least two visits to universities, including a university from within the Russell Group.
- All Year 7 Students will visit a university to raise their aspirations.
- Universities and colleges are regularly invited into the academy to speak to students or deliver workshops. These workshops and presentations from higher education providers take place for students in Years 7 to 11.
- The Sixth Form PSHE programme includes numerous workshops and presentations by a full range of learning providers, including Student Finance England and Lloyds Bank.
- Opportunities available for Year 12 and 13 students in 2020/2021 will strengthen partnerships with local Higher Education providers, these include:

Aston University

Aston Progression Pathways (APP) is an 18-month programme that empowers eligible Year 12 students to achieve their goal of studying STEM, Business or Law courses at Aston University. This sustained programme of activity aims to raise students' aspirations and improve their motivation to progress onto Higher Education.

The University of Birmingham

The Routes to Professions programme offers a unique opportunity for students in Year 12 to gain a real insight into university study. It focuses on specific vocational courses and provides students with tailored support through the university application process. This 18-month programme has five bespoke streams to support students who are looking for a career in one of the fields below:

- Medicine
- Dentistry
- Law
- Accounting and Finance
- Engineering

The Inspired@Birmingham programme supports Year 12 students who are interested in applying to Russell Group universities. It aims to encourage and motivate students to achieve their full potential and enable them to make a successful transition from KS4 to KS5. Participating students will learn from supportive student mentors, successful graduates and outstanding academics.

The Academic Enrichment Programme is an immersive five day residential that gives students an insight into the full university experience, including taster lectures on a range of academic subjects, living in accommodation and new social experiences.

The National Access Summer School (NASS) is a residential, providing Year 12 students with an introduction to university life and higher education. The academic streams include some of the following areas:

- Humanities: Law, History, English, Philosophy, Theology
- Biological and Health Sciences: Physiotherapy, Medicine, Dentistry, Nursing, Biology, Biomedical Material Science, Chemistry
- Engineering: Civil, Electronic, Electrical and Systems, Aerospace, Chemical, Materials Science, Nuclear

The Access to Birmingham (A2B) programme supports applicants who have little or no experience of higher education discover what studying at the University of Birmingham involves. Students complete the A2B module which is designed to help students make the transition from school to university.

14. Benchmark 8: Personal guidance:

- Students at Ormiston Sheffield Community Academy will be supported either as individuals or in groups. This may be face-to-face or at a distance.
- The Careers Adviser will provide targeted independent careers guidance to all Year 11 students and identified students in all year groups.
- Year 13 students applying for apprenticeships will be given regular meetings with the Careers Adviser to support them in searching for and applying to apprenticeships, and in checking CVs/applications and providing mock interviews.
- Mock interviews are offered to all Year 11 Students before attending college/apprenticeship interviews.
- The careers section on the academy website and the careers library includes up to date careers information.
- Independent face-to-face careers guidance will be provided when appropriate; where it is the most suitable support for young people to make successful transitions, particularly children from disadvantaged backgrounds, looked after children or those who have special educational needs, learning difficulties or disabilities.
- Ormiston Sheffield Community Academy will work closely with the Local Authority through the provision of SEND support services: preparing for adulthood.
- Access to an impartial Careers Adviser is available on request to all students and parents, including a drop-in session every Tuesday and Thursday.
- Sixth Form students get additional guidance and support from the Head of Sixth Form, Aspirations Leader and our Aspire to HE Engagement Officer when applying to university or apprenticeships. These includes in depth advice and support completing and checking applications.
- Leadership talk to all Year 11 Students to ascertain their future plans and advise accordingly. This information is also fed back to the Aspirations Leader and Senior Leadership Link so future planning can be considered.

15. Roles, Responsibilities and Accountability

SLT Responsibility: Mr Darren Foreman

CEIAG Aspirations Leader: Mrs Maria Hale

CEIAG Adviser: Mrs Zoe Harris

CEIAG policy will be reviewed annually based on the latest guidance and statutory documentation.
