

MR/KJP
21st May 2021

Dear Parent/Carers

Our students are quickly approaching the last throws of life as a year 11 cohort. As such, it seems an appropriate time to go through some specific details about the next few weeks.

The leaving date for Year 11 students will be Friday, 28th May. After this date, students will not be required in school for lessons. It is possible that we may need to contact students or parents during the moderation process so we will need students to be available after half-term until the final submission deadline for grading on Friday, 18th June. Students may also be invited into school to attend a careers meeting to support them in securing their post Sheffield destinations.

Within your child's tutor group Microsoft Teams area, there will be some additional educational resources to support your child's progression post Sheffield, as well as some information on careers advice and guidance and support for wellbeing.

Last Day (Leavers' Assembly) – Friday 28th May (9.30-11.00)

To mark the end of the school year for the students, a virtual leavers assembly has been arranged for 9.30am. Students can arrive at 9.30am and enjoy the assembly that will look back at their time in school with their form tutor and form group. **Students may attend this event in non-school uniform.**

Exam Results Day

As a reminder, results day for Year 11 GCSEs will be on **Thursday 12th August**. Information about the arrangements for this date will be issued closer to the time.

Year Book/Hoodies

The Year Book has been completed and will be available to purchase next Friday at a cost of £2 or through a payment via the School Gateway. The order for hoodies has been completed and these will be available for collection at a slightly later date in the term. Further information will follow.

Sixth Form Induction Programme

For those students who will be returning to the academy to study in Sixth Form, there will be an extended induction programme which will include preparatory lessons in the subjects they are going to study. We are conscious that students have had over a year of disrupted education and want to ensure that they are ready for their level 3 qualifications. The dates for this are **21st June to 2nd July** and further details will be sent individually to the students involved.

Thank you again to all parents/carers and students for your support over this turbulent time and we hope that the remaining few days of Year 11 are positive for all involved.

Yours sincerely

Mr M Riley
