

	Year 8 Maths Term 1		
	For all groups.		
	Topic	MathsWatch Clip	OAK Academy Reference
6th Sept	Conceptualising and comparing fractions - Develop and understanding of fractions and represent them in different ways	N23a, N23b, N23c	Conceptualising and comparing fractions (Lessons 1-4)
13th Sept	Conceptualising and comparing fractions	N34, N35	Conceptualising and comparing fractions (Lessons 5-8)
20th Sept	Manipulating and calculating with fractions - Apply four operations on fractions and decimal fractions	N36, N37a,	Manipulating and calculating with fractions (Lessons 1-4)
27th Sept	Manipulating and calculating with fractions	N37b, N41	Manipulating and calculating with fractions (Lessons 5-8)
4th Oct	Manipulating and calculating with fractions	N42a, N42b	Manipulating and calculating with fractions (Lessons 9-12)

25th Oct	Half Term		
1st Nov	Percentages	N32, N33	Percentages (Lessons 5-8)
8th Nov	Expressions, equations and inequalities	A2, A3, A4	Expressions, equations and inequalities (Lessons 1-4)
15th Nov	Assessment Week 1 - Assessment set on mathswatch	Feedback and DIRT activity will be sent via teacher dashboard by teachers.	
22nd Nov	Expressions, equations and inequalities	A6, A7a, A7b	Expressions, equations and inequalities (Lessons 5-8)
29th Nov	Expressions, equations and inequalities	A8, A9, A10	Expressions, equations and inequalities (Lessons 9-12)

11th Oct	Order of operations	N20, N25	Order of operations (Lessons 1-4)
18th Oct	Percentages	N24a, N24b	Percentages (Lessons 1-4)

6th Dec	Forming and solving equations	A12	Forming and solving equations (Lessons 1-4)
13th Dec	Forming and solving equations	A19a, A19b	Forming and solving equations (Lessons 5-8)
