

Parent App Registration – Guide for Parents

You should have received an email invitation to register for Parent App from **noreply@sims.co.uk**. If you have not received the email, please check your spam folder.

Click the link in the email you have received to register.

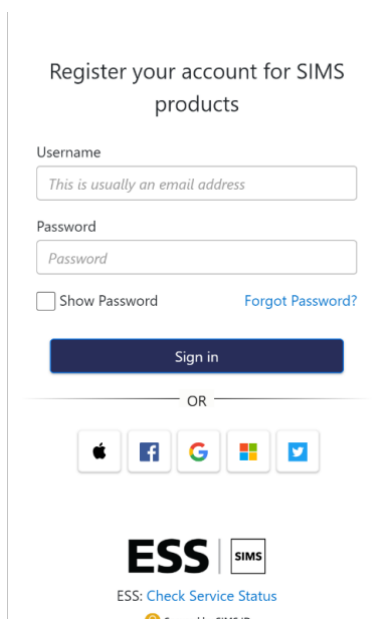

At the screen below select **Register with an External Account**

The screenshot shows the SIMS account activation page. At the top is the SIMS logo. Below it, the text reads "Activate Your Account". A message states: "So that we can confirm your identity, please enter your email address and personal invitation code." There are two input fields: "Username" with a placeholder "Email address" and "Invitation Code". A blue "Next" button is below the fields. Below the button, it says "Alternatively you may complete the registration using an External Account." and a blue button labeled "Register with an External Account". At the bottom, it says "Secured by SIMS ID".

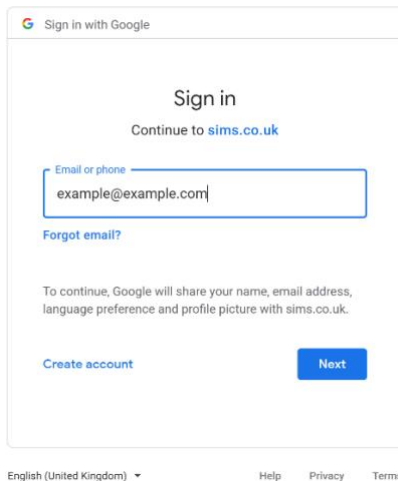

To register for Parent App you need to use an existing account e.g. Apple ID, Facebook, Google, Microsoft or Twitter.

At the next screen select the relevant icon for account type you wish to use to register.

The screenshot shows the SIMS account registration page. The title is "Register your account for SIMS products". There are two input fields: "Username" with a placeholder "This is usually an email address" and "Password" with a placeholder "Password". Below the password field is a checkbox for "Show Password" and a link for "Forgot Password?". A dark blue "Sign in" button is below the fields. Below the button is the text "OR" and five social media icons: Apple, Facebook, Google, Microsoft, and Twitter. At the bottom, there are logos for "ESS" and "SIMS", a link "ESS: Check Service Status", and the text "Secured by SIMS ID".

Enter the email address for the account type you have selected.
